MJ Publishing Trust and MJ-ATV Publishing Trust

Mr. Jackson:

Reference is made to that certain Letter Agreement, dated as of December 20, 2005 (as amended, modified, restated and/or supplemented from time to time, the "Forbearance Agreement"), among Michael J. Jackson ("MJ"), MJ Publishing Trust ("MJPT"), MJ-ATV Publishing Trust ("MJ-ATV") and, together with MJ and MJPT, the "Borrower Parties"), Fortress Music Trust I ("FMT I"), Fortress Music Trust II ("FMT II") and Fortress Music Trust III ("FMT III") together with FMT I and FMT III, the "Lenders", pursuant to which the Lenders agreed to forbear during the Forbearance Period from taking any enforcement action based on defaults existing as of December 20, 2005 with respect to the MJPT Facility and the MJ-ATV Facility until January 19, 2006, which Forbearance Period was extended until February 18, 2006 pursuant to the terms thereof. Terms defined in the Forbearance Letter shall have the same meaning when used in this letter.

Pursuant to that certain letter, dated February 1, 2006, from Borrower Parties to Lenders, Borrower Parties have notified Lenders of a Competing Offer from Citigroup Global Markets Inc. ("CGMI"), to effect a Competing Transaction (the "Citigroup Competing Offer"). Attached as Exhibit A to such letter is a fully executed copy of the Citigroup Competing Offer (as certified by each of Borrower Parties).

Fortress Credit Corp. ("FCC"), on behalf of Fortress (as defined below), is pleased to inform you that FCC hereby matches the Citigroup Competing Offer and commits to provide the entire principal amount of the Refinancing and to act as Administrative Agent for the Refinancing, subject to the terms and conditions described in this letter agreement and the attached Exhibit A (collectively, this "Commitment Letter"). Pursuant to the terms of the Forbearance Agreement and the Right of Last Offer described therein, you now have no right to accept the Citigroup Competing Offer.

For purposes of this Commitment Letter, "Fortress," "we" or "us" shall mean FCC, and/or any of its affiliates as may be appropriate to provide the services contemplated herein. Capitalized terms used in this letter agreement but not defined herein shall have the meanings given to them in Exhibit A hereto.

LA1 749195v4

Section 1. Conditions Precedent. Fortress' commitment hereunder is subject to:

(a) the accuracy and completeness in all material respects of all representations that MJ and MJ's representatives, and SMB and SME's affiliates, make to Fortress and all information that MJ and MJ's representatives, and SME and SME's affiliates, furnish to Fortress;

(b) MJ's compliance in all material respects with the terms of this Commitment Letter, including, without limitation, the payment in full of all fees, expenses and other amounts payable under this Commitment Letter;

(c) Fortress' satisfaction in all material respects with the results of its confirmatory due diligence investigation (including, without limitation, such diligence regarding litigation) of MJ Publishing Trust, MJ-ATV Publishing Trust, SME, SMP and Sony/ATV Music Publishing LLC, and of the MJAC Catalog and the MJ-ATV Interest, including, without limitation, face-to-face discussions between representatives and officers of FCC and MJ; and

(d) Fortress not becoming aware after the date hereof of any information not previously known to Fortress that is inconsistent in a material and adverse manner and that relates to the Refinancing with the information (taken as a whole) disclosed to Fortress prior to the date hereof.

Section 2. Commitment Termination. Fortress' commitment hereunder will terminate on the earliest of (A) 5:00 p.m. New York City time on March 2, 2006, (B) the date the Loan Documents become effective, and (C) the date on which MJ terminates this Commitment Letter upon written notice to FCC (such earliest date, the "Termination Date").

Section 3. Syndication. Fortress reserves the right, before or after the execution of the Loan Documents, to syndicate all or a portion of its commitment to one or more other financial institutions that will become parties to the Loan Documents pursuant to a syndication to be managed by FCC (the financial institutions becoming parties to the Loan Documents being collectively referred to herein as the "Lenders"). MJ understands that FCC may elect to appoint one or more agents reasonably acceptable to MJ to assist it in such syndication efforts. FCC will manage all aspects of the syndication in consultation with MJ, including the timing of all offers to potential Lenders (which, except for commercial banks other than Bank of America, N.A. and its affiliates, shall be reasonably acceptable to MJ), the determination of the amounts offered to potential Lenders, the acceptance of commitments of the Lenders and the compensation to be provided to the Lenders.

You shall take all actions that FCC may reasonably request to assist FCC in forming a syndicate reasonably acceptable to FCC. MJ's assistance in forming such a syndicate shall include but not be limited to: (i) making your representatives and advisors available to participate in information meetings with potential Lenders at such times and places as FCC may reasonably request; (ii) using your commercially reasonable efforts to ensure that the syndication efforts benefit from your existing lending relationships; (iii) assisting (including using your commercially reasonable efforts to cause your affiliates and advisors to assist) in the preparation

of a confidential information memorandum for the Refinancing and other marketing materials to be used in connection with the syndication; (iv) providing FCC with all projections, including updated projections, from time to time reasonably requested by FCC from the date of this Commitment Letter through the successful completion of the syndication of the Refinancing and (v) promptly providing FCC with all information reasonably deemed necessary by it to successfully complete the syndication.

Fortress will act as the sole Administrative Agent and Collateral Agent for the Refinancing and FCC will act as sole lead arranger, sole book runner and sole syndication agent. No additional agents, co-agents or arrangers will be appointed, or other titles conferred, without your and Fortress' consent. You agree that no Lender will receive any compensation of any kind for its participation in the Refinancing, except as expressly agreed by the parties hereto.

Section 4. Fees; Right of Last Offer. In addition to the fees described in Exhibit A and any other fees owed by any of the Borrower Parties to Lenders under any other agreement, MJ shall pay (or cause to be paid) a non-refundable fee of \$1,000,000 if (a) Fortress' commitments hereunder terminate as a result of MJ's failure to sign this Commitment Letter and return it to Fortress and its counsel as described below, (b) MJ terminates this Commitment Letter pursuant to Section 2(C) above, or (c) the Refinancing is not consummated for any other reason on or before the Termination Date other than by reason of the failure by FCC to fund the Refinancing at closing even though all the conditions of funding are satisfied. Without limiting any of Fortress' other rights under the Forbearance Agreement, or otherwise, if Fortress' commitments hereunder terminate for any reason, any other Competing Offer that you receive will be subject to the Right of Last Offer described in the Forbearance Agreement and Lenders will have all rights and remedies under the Covered Agreements (as defined in the Forbearance Agreement).

Section 5. Indemnification. MJ shall indemnify and hold harmless Fortress, each Lender and each of their respective affiliates and each of their respective officers, directors, employees, agents, advisors and representatives (each, an "Indemnified Party") from and against any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and disbursements of counsel), that may be incurred by or asserted or awarded against any Indemnified Party (including, without limitation, in connection with, any investigation, litigation or proceeding or the preparation of any defense in connection therewith) in each case arising out of or in connection with or by reason of this Commitment Letter or the Loan Documents or the transactions contemplated hereby or thereby or any actual or proposed use of the proceeds of the Refinancing, except to the extent such claim, damage, loss, liability or expense is found in a final, non-appealable judgment by a court of competent jurisdiction to have resulted from such Indemnified Party's gross negligence or willful misconduct. In the case of an investigation, litigation or proceeding to which the indemnity in this paragraph applies, such indemnity shall be effective, whether or not such investigation, litigation or proceeding is brought by MJ, or any of his affiliates or representatives, or, any of his security holders or creditors, an Indemnified Party or any other person, or an Indemnified Party is otherwise a party thereto and whether or not the transactions contemplated hereby are consummated.

No Indemnified Party shall have any liability (whether in contract, tort or otherwise) to MJ or SME or any of his or its affiliates or representatives, or any of his or its security holders or creditors, for or in connection with the transactions contemplated hereby, except to the extent

such liability is determined in a final, non-appealable judgment by a court of competent jurisdiction to have resulted primarily from such Indemnified Party's gross negligence or willful misconduct. In no event, however shall any Indemnified Party be liable on any theory of liability for any special, indirect, consequential or punitive damages (including, without limitation, any loss of profits, business or anticipated savings).

Section 6. Costs and Expenses; Indemnity.

(a) MJ shall pay, from time to time upon request, Fortress's out-of-pocket expenses, including the reasonable fees and expenses of its legal counsel, incurred by Fortress before and after the date of this letter in connection with the Refinancing, whether or not the Refinancing is consummated, on the following basis:

(i) Fortress's legal fees and expenses up to a maximum amount of \$500,000; provided, however, that if the Refinancing is consummated, all the reasonably itemized fees and expenses referred to in this letter shall be payable from the proceeds of the Refinancing; and

(ii) all Fortress's other reasonable and itemized fees and expenses up to a maximum amount of another \$100,000; provided, however, that air travel expenses must be approved in advance by you (acting reasonably).

(b) MJ shall also pay all costs and expenses of Fortress (including, without limitation, the reasonable fees and disbursements of counsel) incurred in connection with the enforcement of any of its rights and remedies hereunder.

Section 7. Confidentiality. By accepting delivery of this Commitment Letter, MJ agrees that this Commitment Letter is for MJ's confidential use only and that neither its existence nor the terms hereof will be disclosed by MJ to any person other than the officers, employees, accountants, attorneys and other representatives (the "Representatives") of MJ, and then only on a confidential and "need to know" basis in connection with the transactions contemplated hereby with Fortress. Notwithstanding the foregoing, following MJ's acceptance of the provisions hereof and his return of an executed counterpart of this Commitment Letter to Fortress as provided below, (i) MJ may disclose this Commitment Letter to CGMI, (ii) MJ may disclose this Commitment Letter to his officers, employees, accountants, attorneys and other legal advisors on a confidential and "need to know" basis in connection with the Refinancing, (iii) MJ may file a copy of any portion of this Commitment Letter in any public record in which it is required by law to be filed and (iv) MJ may make such other public disclosures of the terms and conditions hereof as MJ is required by law, in the opinion of his counsel, to make. Notwithstanding any other provision in this Commitment Letter, Fortress hereby confirms that MJ and the Representatives shall not be limited from disclosing the U.S. tax treatment or U.S. tax structure of the Refinancing.

Section 8. Representations and Warranties. MJ represents and warrants that (a) all information (other than financial projections), when taken as a whole, that has been or will hereafter be made available to Fortress, any Lender or any potential Lender by or on behalf of MJ or any of his representatives or affiliates in connection with the Refinancing is and will be

complete and correct in all material respects and, when taken as a whole, does not and will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained therein not misleading in light of the circumstances under which such statements were or are made and (b) all financial projections, if any, that have been or will be prepared by or on behalf of MJ or any of his representatives or affiliates (including, without limitation, Sony/ATV Music Publishing LLC) and made available to Fortress, any Lender or any potential Lender have been or will be prepared in good faith based upon reasonable assumptions (it being understood that such projections are subject to significant uncertainties and contingencies, many of which are beyond MJ's control, and no assurance can be given that the projections will be realized). MJ agrees to supplement the information and projections from time to time until the Loan Documents become effective so that the representations and warranties contained in this paragraph remain correct on the date thereof.

In providing this Commitment Letter and in arranging the Refinancing, Fortress is relying on the accuracy of the information furnished to it by or on behalf of MJ and his affiliates and representatives without independent verification thereof.

Section 9. No Third Party Reliance, Etc. The agreements of Fortress hereunder and of any Lender that issues a commitment to provide financing under the Refinancing are made solely for the benefit of MJ and may not be relied upon or enforced by any other person. Please note that those matters that are not covered or made clear herein are subject to mutual agreement of the parties. MJ may not assign or delegate any of his rights or obligations hereunder without Fortress' prior written consent. This Commitment Letter may not be amended or modified, or any provision hereof waived, except by a written agreement signed by all parties hereto.

MJ hereby acknowledges that Fortress is acting pursuant to a contractual relationship on an arm's length basis, and the parties hereto do not intend that Fortress act or be responsible as a fiduciary to MJ, his stockholders, creditors or any other person. Each of MJ and Fortress hereby expressly disclaims any fiduciary relationship and agrees they are each responsible for making their own independent judgments with respect to any transactions entered into between them. MJ also hereby acknowledges that Fortress has not advised and is not advising MJ as to any legal, accounting, regulatory or tax matters or financial structuring or valuation, and that MJ is consulting his own advisors concerning such matters to the extent MJ deems appropriate.

MJ acknowledges that Fortress and/or one or more of its affiliates may provide financing, equity capital, financial advisory and/or other services to parties whose interests may conflict with MJ's interests. Consistent with Fortress' policy to hold in confidence the affairs of its customers, neither Fortress nor any of its affiliates will furnish confidential information obtained from MJ or his affiliates to any of Fortress' other customers. Furthermore, neither Fortress nor any of its affiliates will make available to MJ confidential information that Fortress obtained or may obtain from any other person.

Section 10. Governing Law, Etc. This Commitment Letter shall be governed by, and construed in accordance with, the law of the State of New York. Without limiting Fortress' rights or Borrower Parties' obligations under the Forbearance Agreement, this Commitment Letter sets forth the entire agreement among the parties with respect to the matters addressed herein and supersedes all prior communications, written or oral, with respect hereto. This

Commitment Letter may be executed in any number of counterparts, each of which, when so executed, shall be deemed to be an original and all of which, taken together, shall constitute one and the same Commitment Letter. Delivery of an executed counterpart of a signature page to this Commitment Letter by telecopier shall be as effective as delivery of a manually executed counterpart of this Commitment Letter. Sections 4 through 8, 10 and 11 hereof shall survive the termination of Fortress' commitment hereunder, provided that the provisions of Section 5 through 8 shall be superseded by the related provisions contained in the Transaction Documents upon the effectiveness thereof. MJ acknowledges that information and documents relating to the Refinancing may be transmitted through Intralinks, the internet or similar electronic transmission systems.

Section 11. Waiver of Jury Trial, Etc. Each party hereto irrevocably waives all right to trial by jury in any action, proceeding or counterclaim (whether based on contract, tort or otherwise) arising out of or relating to this Commitment Letter or the transactions contemplated hereby or the actions of the parties hereto in the negotiation, performance or enforcement hereof.

With respect to all matters relating to this Commitment Letter and Exhibit A, you hereby irrevocably (i) submit to the non-exclusive jurisdiction of any New York State or Federal court sitting in the State of New York, County of New York, and any appellate court from any thereof, (ii) agree that all claims related hereto may be heard and determined in such courts, (iii) waive, to the fullest extent you may effectively do so, the defense of an inconvenient forum, (iv) agree that a final judgment of such courts shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law and (v) waive any immunity (sovereign or otherwise) from jurisdiction of any court or from any legal process or setoff to which you or your properties or assets may be entitled.

Section 12. Patriot Act. Fortress hereby notifies you that pursuant to the requirements of the USA Patriot Act, Title III of Pub. L. 107-56 (signed into law October 26, 2001) (the "Patriot Act"), Fortress and the Lenders are required to obtain, verify and record information that identifies the Trust, which information includes the name, address, tax identification number and other information regarding the Trust that will allow Fortress or such Lender to identify the Trust in accordance with the Patriot Act. This notice is given in accordance with the requirements of the Patriot Act and is effective as to Fortress and the Lenders.

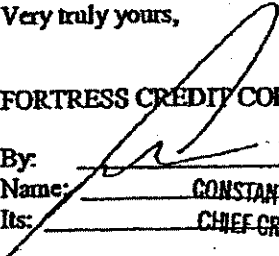

Please indicate your acceptance of the provisions hereof by signing the enclosed copy of this Commitment Letter and returning it to Daniel Gropper, Fortress Investment Group, 1345 Avenue of the Americas, 46th Floor, New York, NY 10105 (fax: 212-798-6099) with copy to Marc L Hayutin and Edward C. **Early Liquidation
Event:**

The Early Liquidation Event under the Trust loan and security agreement shall be the following:

- The Amount of the Reserve shall be less than the Minimum Reserve for a period of eight business days.

**Liquidation of Trust
Assets:**

The Transaction Documents (including the Trust Agreement) will provide that, upon the occurrence and during the continuation of an Early Liquidation Event or an Event of Default, the Trustee will, and will have the right to, cause an orderly liquidation of the Trust Assets in accordance with commercially reasonable procedures, in order to repay the Trust Loan plus accrued interest thereon and all other amounts payable under the Transaction Documents; provided, however, that (1) if the Trustee has commenced such liquidation of the Trust Assets during the continuation of an Early Liquidation Event but the Amount of the Reserve is then increased to an amount equal to or greater than the Minimum Reserve, such Early Liquidation Event will not be cured, for purposes of the Trustee's right to cause such liquidation, unless all fees (including, without limitation, any no-go or work fee) and expenses incurred by the Trustee in connection with such liquidation shall be paid in full in cash with funds other than funds from the Reserve; (2) such Early Liquidation Event may be so cured as set forth in clause (1) of this proviso only two times; and (3) such Early Liquidation Event may not be so cured as set forth in clause (1) after the sale of the Trust Assets shall have closed. The period of such liquidation will end, and the final sale of the Trust Assets will occur, no later than 90 days (the "*90-Day Period*") from the occurrence of the Event of Default, subject to extension by the Lender in its reasonable discretion. The Trust Loan will be conditioned on the Trust and the Lender obtaining an agreement by SME that it will, (a) in connection with such liquidation, make an unconditional, good faith,

and binding offer to buy the Trust Assets, free and clear of those liens and other encumbrances mutually agreed between Fortress and SME, for an aggregate amount in immediately available funds of at least \$300 million less the amount, if any, paid by SME (and applied to the Trust Loan) pursuant to the Sony Purchase Option and (b) if the sale of the Trust Assets will occur within three months before any \$6.5 million Guaranteed Advance is payable under the Sony/ATV Operating Agreement, pay such portion of the Guaranteed Advance, on the day on which such Guaranteed Advance is so payable, to the Trust in immediately available funds for deposit in the Reserve, as is sufficient to pay the Transaction Amounts then existing (a "Liquidation Offer"). With respect to any proposed disposition or other transfer of the Trust Assets pursuant to such a liquidation and, if SME shall have complied in all material respects with its covenants and other obligations in respect of the Liquidation Offer, with respect to the foreclosure described below or otherwise, Sony will have a right of first refusal. The Transaction Documents will contain an advance irrevocable consent by MJ to the above liquidation of the Trust Assets.

Foreclosure:

If after the 90-Day period the Trust assets are not liquidated, FCC may foreclose on the Trust Assets in accordance with law, subject to, if SME shall have complied in all material respects with its covenants and other obligations in respect of the Liquidation Offer above, Sony's right of first refusal.

Sony Purchase Option:

For a period of 18 months (or until, if later, payment in full of the Trust Loan) commencing after six months from the beginning of the term of the Trust Loan, Sony shall have the option (the "*Sony Purchase Option*"), without Lender's consent, to purchase up to 50% of the Trust's and MJ-ATV Publishing Trust's interest in Sony/ATV. The purchase price shall be equal to the greater of (a) 25% * (\$1 Billion less net debt of Sony/ATV and other amounts payable or distributable to Sony), and (b) an amount in cash equal to 50% of the principal amount of Trust Loan (such amount not to exceed \$150 million); and such net proceeds received by the Trust shall be used, first, to repay the outstanding amount of the Trust Loan in the amount of \$150,000,000, second, to pay taxes of MJ resulting from the sale (as set forth in a written computation delivered to the Trust and the Lender), and third, the balance, if any, to further repay the outstanding amount of the Trust Loan. Sony may assign the Sony Purchase Option without consent of the Trust, MJ or Lender.

Sony may assign the Sony Purchase Option to any person (a "*Purchaser*") without consent of the Trust, MJ or Lender, provided that (i) the Purchaser may not further assign the Sony Purchase Option without the consent of Sony and MJ (other than to an affiliated party) and (ii) any subsequent sale of all or any portion of the interests

The Sony Purchase Option will, upon the occurrence and during the continuation of an Event of Default, become immediately exercisable and, if not so exercised, will terminate if the Pledged Interest is sold to a third party during the 90-Day Period or in any foreclosure of the Trust Assets.

Miscellaneous:

Standard yield protection (including compliance with risk-based capital guidelines, increased costs, payments generally free and clear of withholding taxes, and interest period and swap breakage indemnities), Eurodollar illegality and similar provisions and waiver of jury trial.

Swap:

The Lender will have the right to cause the Trust to enter into an interest-rate swap agreement with Fortress, under which a Fortress affiliate will pay to the Trust a floating rate on a notional amount equal to the Trust Loan and the Trust will pay to the Fortress affiliate a fixed rate on such notional amount, containing an option to limit the swap breakage upon certain circumstances.

Fees:

Upfront fee of $\frac{3}{4}$ of 1%, payable at closing.

Structuring fee of $\frac{3}{4}$ of 1%, payable at closing.
